Langlands Golf Club Newsletter

April 2015

A warm welcome to you all for the April edition of our Newsletter. Our hopes for March medals were dashed yet again due to inclement weather. We can only hope for better next season. We have been able to play some sweeps on a Saturday though, and it's been good to see some familiar faces back at the club following their golfing hibernation! As of Monday 30th March the clubhouse reverts back to summer opening hours, hard to believe that British Summer Time is here when there is snow and sleet falling.

We have a number of new members this season, their names are all listed below. Welcome to you all, we hope you have many happy years as Langlands members—why not get your golfing family and friends to come and join us too?

## Rules Quiz

1. A player may repair a pitch mark that is on the green if the ball lies off the green?
2. A ball embedded in its own pitch mark in the ground in any closely mown area through the green may be lifted, cleaned and dropped, without penalty, within one club-length of where it lay but not nearer the hole?
3. In match play, a player may concede a hole at any time prior to the start or conclusion of that hole?
4. A player may stand outside the teeing ground to play a ball within it?
5. A player is entitled to see their ball when making a stroke?
