Langlands Golf Club

March/April 2016

Message from the Captain

Welcome to you all. It was a great honour for me to be selected as your Captain for 2016, and I hope you are looking forward to the golfing year ahead as much as I am.

The weather in early March has been kind to us so far, and we have been able to play all

Saturday competitions as scheduled. The booking process for medal competitions has changed, full details can be found in this newsletter or online.

The management committee made the decision this year not to publish a membership book in order to reduce costs to the club—all information that would have previously been included in this booklet can now be found on the club website, with all competition dates also being posted on the club noticeboard. Please take the time to have a look at this information.

You will have seen a lot of drainage work being undertaken on the course. As our winters seemed to get wetter every year this type of work is essential to keep the course playable throughout the year.

All golfers can play their part in keeping the course in good condition by replacing divots (using the sand provided on every tee box if required), repairing pitchmarks on greens, raking bunkers and placing all litter in the bins provided. This helps the course to always be in the best possible condition for everyone to enjoy.

Saturday 2nd April sees the return of the Jackpot Joker. Along with all social events that we organise throughout the year, the Joker adds some much needed funds in order to maintain the running of the Club. We hope as many members as possible will take part. Joker draws take place every Saturday at 5.00pm, with the current Jackpot standing at £1000.

Our fixture lists are now published, and the dates for our Open Competitions are listed in this newsletter. We will be working hard to ensure these events are successful and your support will be very much appreciated. Entry forms for our matchplay competitions will be available soon.

Good luck for the season ahead, I hope to see you all in the clubhouse and on the course soon.

The Ladies section held their AGM, prizegiving and selection meeting on Thursday 3rd March. A list of all ladies 2015 winners are available on the club website.

Saturday Medal Booking Times

Please note that medal booking sheets for club medals that are not Book Your Own Time will be available from 5pm on the Friday evening two weeks prior to the medal date.

Any member wishing to put their name on the booking sheet will be able to do so for themselves and TWO other members maximum. This will be closely monitored by the Match Committee.

These measures have been put in place to ensure that the tee times allocated to the Club by South Lanarkshire Council are being used as intended. Failure to do this could result in these reserved times being removed from the Club.

If you have any questions on this matter, then please speak to any member of the Match Committee.
